

Action Points: Proclaim Him

Ps Allan Davis 2/11/2025

Key thought: What a privilege to celebrate Missions Sunday at Tuggeranong this week. While we are all called to share the Gospel of Jesus Christ in the world in which we live, our hearts and prayers are with those who have gone out from us to influence our neighbouring community and the nations for Him. We think especially of the impact of our local Care Hub, ministering to men and women in the community; Sergio & Siobhan Reinhard in Punta del Este (Uruguay); Michael & Rhianon Walls in Hanoi (Vietnam); and Philip Porcherson in the Philippines.

Thank you for your ongoing prayers and financial support for our work in world mission.

Action points:

1. Take time to pray today about your role in missions, as a follower of Jesus. Ask the Holy Spirit to help you identify areas in which you can share the love of God and the message of salvation in your world. He will lead you and give you open doors and wisdom to speak into peoples' lives. You are "on mission".
2. And please give generously to our missions offerings; your faithfulness in this area enables the work that our "sent" missionaries are involved in to continue, for the glory of God.
