

## Action Points: Five reasons for joy Ps Jon Cathie 21/12/2025

Key thought: In the Angels heralding report of the arrival of the Saviour on Earth (Luke 2:9-14), they give us 5 reasons why we can have joy despite circumstances we may face.

- We need not fear
- The Good News is for everyone
- We have a Saviour
- God will be glorified
- Peace and goodwill will flow

As Christians, we have hope in uncertain times.

2. The Good News is all-inclusive. What examples do you see in scripture that the Gospel message is for everyone – Jew and Gentile alike?

3. In a world desperately needing peace and good-will, how can we contribute to it happening?
