

Jesus CENTRAL

Action Points: The finished four

Ps Meg Peterson - 13/4/2025

Key thought: Jesus dealt with our sin, shame, suffering and slavery on the cross once for all. Therefore, we can live as a purpose-filled, new creation today – on earth as it is in Heaven.

Here are your action points:

1. What mistakes/sins/weaknesses still cause shame in your life? Take a moment to hand these over to Jesus and trust they've been completely dealt with.
2. What opportunities can you take to share the gospel with someone this Easter? Familiarise yourself with your testimony/how you would share this message.

3. Write a simple 'Thank You' prayer to Jesus.
