JESUS IN THE OT

As a youth ministry, this year we're focusing on finding Jesus in the Old Testament. You might be thinking, "But wasn't he born after the events of the Old Testament?"

You're partially correct in thinking that, but you don't have the full picture. Christmas was when Jesus became *incarnate* (meaning that he took on a human form), but he actually existed way before that.

Colossians 1:15 says, "He (Jesus) existed before anything was created and is supreme over all creation..."

Jesus himself said in John 8:58, "Before Abraham was born, I am!"

This bible reading plan, spanning across 294 days, across all 4 school terms, and across 15 biblical books, aims to give you an understanding of the overarching narrative of the Old Testament. Paired with the messages you'll hear every Friday at Youthedge, we hope you'll gain a deeper understanding that Jesus *is* indeed God, as well as the prophecied *messiah* of Jewish scripture.

WHY DID WE ADD HEBREWS?

You might have noticed that the first book in this reading plan is Hebrews, and yes we know it's a New Testament book (not in the OT). We thought it would be beneficial to read Hebrews before you even start Genesis, because Hebrews is really the perfect bridge between the NT and the OT. The writer of Hebrews helps us interpret a lot of Old Testament stories through the *lens* of Jesus. If Jesus claimed to be the fulfillment of the Law & the prophets (another way of saying the OT) then Hebrews is the perfect tool to help us understand exactly how he fulfilled some of those things. We encourage you to study this deeply.
