The Spirit & The Church

WELCOME TO THE DAILY DEVOTION CLUB.

We believe that over the next 61 days of bible reading you can develop a healthy habit of spending quality time with God. As Christians, reading the Bible is one of our priorities. It's the main way we learn about God and grow in our journey of following Jesus. Too often Christians get slack and neglect it; allowing themselves to drift from God while their Bible collects dust on the shelf. Maybe you've been like that yourself - well now's the time to make a change! Pick up your Bible, dust it off, and start spending time with God again. Trust us, it will completely change your life.

HOW TO USE THIS BOOKLET:

1. Follow the plan and read the chapter assigned to each day.
2. Tick the box after completing each day's reading.
3. Don't stress if you miss a day. You can either read extra the next day to catch up, or just skip that day and go to the next reading. Don't let one slip-up stop you from reaching the end.
4. Finish each session with prayer.
5. Talk to your DC leaders & youth pastor if you have any questions.

“Now you are the body of Christ, and each one of you is a part of it.”

- 1 Corinthians 12:27

Why are we ditching the *Jesus in the OT* series?

Yeaaaaahhh we were meant to continue it through Term 4, but we felt that this “Spirit & Church” topic was so important that we desperately needed to pivot immediately and shake things up. “*Jesus in the OT*” has been one of our favourite reading plans and series that we’ve ever done, but we really felt like God was pushing us in a new direction for Term 4, 2025.

The last thing you’ll read from the old plan will be on October 12 when you finish 2 Kings. This new plan will start immediately on October 13 with Acts chapter 1.

Why The Spirit & The Church?

Based on a survey we did in Term 2, we noticed some big gaps in understanding: lots of you didn’t understand the importance of Church, how it works, or how the Holy Spirit moves in your life.

This reading plan and the preaching series we’ll be going through on Fridays is all about helping you understand Pneumatology (the study of the Holy Spirit) and Ecclesiology (the study of the Church).

We’ll be looking at:

- How God uses the Church to grow and guide us.
- How spiritual gifts are meant to serve others.
- Why being part of a local church and showing up really matters.

Our goal is simple: we want you to understand that following Jesus means you belong to something bigger than yourself. You belong to a spiritual family, the Body of Christ - and that means something both globally and locally.
